PHILOSOPHY

QUALITY PARTS - LASTING PARTNERSHIPS

Negotiated Partnership - We are focused on YOU!

Since 1976, QMC has been manufacturing quality parts for all industries.

QMC's "Negotiated Partnership" will help lower your outsourcing costs through better engineering, planning & commitment. The QMC team focuses on your cost requirements & innovates to lower actual & maintain price stability.

Quality & Craftmanship - We are the EXPERTS

Our Mission: When You Compare Our Parts with a Competitors, **You Will Always Want the QMC Part!**

- Continuous process & quality improvement of parts - feedback system
- Documented in-process inspection
- Signed certification & material test reports with every shipment
- We become experts at making your part
- Consistent high quality

Scheduled Deliveries & Superior Service

- Reduced purchasing transaction costs
- Friendly responsive people - no voicemail
- Rapid response quoting
- Proactive material planning
- Innovation & Automation

Lowest Actual Cost

Our philosophy together with our employee incentive system and state-of-the-art machinery, means your actual cost is lower than with any other vendor.

Continuous long term quality improvement means worry free quality & lowered internal costs...

Because the parts we provide will be made correctly & defect free!
